

## QUALITY AFFIRMATION COATING SUPPLIER ADDENDUM

As a supplier that Advex may purchase products/services that include blasting and/or painting (either by supplier or a sub-tier supplier), please complete the following:

		YES	NO
1.	Is the company QPI certified?		
If yes, please attach a copy of the certificate			
2.	Does the supplier's quality system address the following coating related topics:		
	2.1 Calibration of equipment		
	2.2 Blast Media Conformance to either MIL-A-22262 or A-A-59316		
3.	Are records available upon request?		

Note: Each purchase order from Advex will require more specific OQE data including but not limited to: dry film thickness, surface prep, profile readings, environment readings and paint batch #/expiration dates.
