

QUALITY AFFIRMATION HEAT TREATING SUPPLIER ADDENDUM

As a supplier that Advex may purchase products/services that include heat treating (either by supplier or a sub-tier supplier), please complete the following:

		YES	NO
1.	Does the supplier's quality system address the following heat treating related topics?		
	1.1 Calibration of equipment		
	1.2 Availability of records?		
2.	Are records available upon request?		
3.	Does the supplier have written processes which identifies the OQE required?		

Note: Each purchase order from Advex will require more specific OQE regarding furnace time and temperature charts, thermocouple placement data and equipment calibration records.
